- Emergency Response Coordination

MILITARY EXPERIENCE

Heavy Equipment Operator / Second Class Petty Officer

U.S. Navy Seabees, 2013- 2020

- Managed, assigned, and controlled 336 units of Civil Engineering Support Equipment (CESE) valued at over \$55 million.
- Provided critical support in logistics, training, and operational readiness, significantly contributing to mission success.
- Spearheaded safety and training initiatives, achieving a mishap-free work center and enhancing battalion readiness.

Training Petty Officer, Honor Guard, Color Guard

Naval Base Ventura County (NBVC), June 2016 - Dec 2016

- Conducted Military Funeral Honors with precision, demonstrating respect and providing solace to families of service members.
- Served over 100 hours as Officer of the Deck, upholding the highest standards of conduct and discipline.
- Led and developed training programs, enhancing the capabilities and performance of 33 sailors in ceremonial duties.

COMMUNITY INVOLVEMENT

- Volunteered with NBVC Color Guard, dedicating 55 hours to ceremonial services.
- Contributed 8 hours to the Ventura County Science Fair, engaging with the local community.

ACHIEVEMENTS

- Awarded three Letters of Appreciation for exceptional service and professionalism.
- Proactively sought and completed advanced training, obtaining qualifications in military operational standards and safety
